

# Olympics Dream

I wish that I could be in the Olympics,  
I wish that I could run and have some fun.

**For if I could run in the Olympics,**  
I'm sure that I'd be number one !

I wish that I could be in the Olympics,  
I wish that I could swim and have some fun.

**For if I could swim in the Olympics,**  
I'm sure that I'd be number one !

I wish that I could be in the Olympics,  
I wish that I could throw and have some fun.

**For if I could throw in the Olympics,**  
I'm sure that I'd be number one !

I wish that I could be in the Olympics,  
I wish that I could jump and have some fun.

**For if I could jump in the Olympics,**  
I'm sure that I'd be number one !
